fig: Showing dashboard of TI with sidebar

Register:

User have two options in the register function:

Register as SC and TI.

Provide the information required in the form and wait for the approval from HA (Login as an HA and approve the newly registered user by clicking on approve users button).

Screenshot showing request of new user and approval by HA

The top screenshot shows the 'HA Dashboard' in Mozilla Firefox. The browser address bar displays 'localhost:8080/Tele_Education/Show_Request'. A modal titled 'Request For Approval' is open, containing a table with the following data:

SrNO	Name	User_id	Role
1	TI1	arpit1123@gmail.com	TI
2	Mujahid	arpit123@gmail.com	TI
3	Majid	maj@gmail.com	TI
4	SC22	sc22@gmail.com	SC
5	SC22	sc232@gmail.com	SC

Below the table is a button labeled 'Approve above users'.

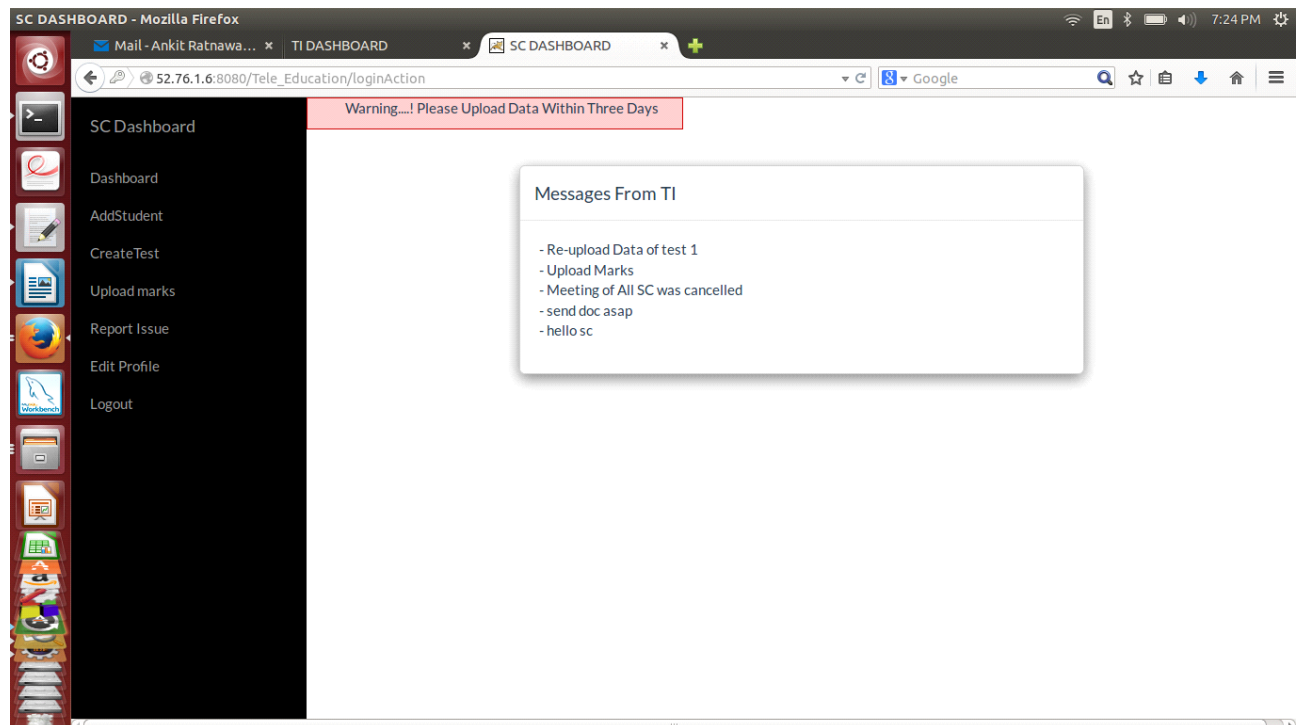

The bottom screenshot shows the 'TI DASHBOARD' in Mozilla Firefox. The browser address bar displays 'localhost:8080/Tele_Education/loginAction'. A modal titled 'Messages For Approving New TI' is open, containing a button labeled 'Show Request'.
